**FINAL DECISION**

On June 26, 2013, I issued a proposed final decision in the above captioned matter recommending that the Commissioner issue the draft permits attached as appendices two and three to the proposed decision. I subsequently received, via e-mail, written communication from all parties to this matter waiving the opportunity to file exceptions to my proposed final decision. Daniel C. Esty, July 12, 2011. I therefore adopt the findings of fact and conclusions of law as set out in my proposed final decision as the final decision in this matter.
