As former Chair of the Siting Council, I attended your 6/16/21 meeting on the above-captioned subject with interest. I took special note of your statements that the task required inter-agency involvement, yet I am concerned that you made only passing reference to your "sister agency, the Siting Council." As I review the "Scoping Meeting Reference Sheet," many if not most of the stated objectives and listening topics are covered under the Siting Council's procedures and are well documented in the records of the Council's actions .

Attorney Hoffman,, in his remarks, stated these in detail.

I think that it is important and would be most helpful to explain what role you envision the Siting Council having in this STEPS endeavor.

Sincerely,

Robert (Robin) Stein AICP
